

ELL Department

Any student attending Salem Prep High School requiring ELL services will be assessed by the ELL Department and it will be determined what services students are eligible for. The Bilingual Department of Salem High School often acts as consultants or provide direct instruction through one of the above faculty. The Bilingual Department at Salem High School offers courses for English language learners determined eligible by state regulations. Courses are available as bilingual content area courses, accelerated basic skills courses (ABS) and English as a Second Language (ESL).
